DEDICATION

We wish to dedicate this 1945 Mariner to Ralph Pfingst who has successfully coached our football and basketball teams through our victorious school year.

The power of honor to bind men's lives is not less now than it was in the Middle Ages, and the true aim of highest education is to give character as well as knowledge--to teach boys and girls to be as well as to know.

So at the end of a period in their preparation, we offer this modest volume as a testimonial of their earnest desire to follow the ideals laid down by the highest type of citizen teacher trained for this purpose.

We are, and believe you will be, quite proud of it.

CLASS HISTORY

The ship S. S. "1945" started on its course through the rough waters of its freshman year. On the first part of our course, we had two dinner parties.

Captain:	George Duddy
First Mate:	Junior Walsh
Second Mate:	Melvin Totzke
Chief Engineer:	Nancy Carman

In our sophomore year we knew our ship's rules and regulations better and began to take on more responsibility. We gave our first successful dances and bake sales, and started earning our money for our senior year.

Captain:	Melvin Totzke
First Mate:	Norma Hart
Second Mate:	Iris Dust
Chief Engineer:	Lavern Bradford

Then our junior year was here, and we gave the two largest dances of the year, the J-Hop and the Junior and Senior Prom. The sailing was smooth now, and we had a large success in selling magazines.

Captain:	Evelyn Cohrs
First Mate:	Rachel Daniels
Second Mate:	Janice Wood
Chief Engineer:	Lavern Bradford

Now our course is ended, and our senior year is here at last the year we have awaited. The Senior Play and Carnival were successful, but our senior trip to Chicago and back was enjoyed the most.

Captain:	Lavern Bradford
First Mate:	Mary Lou Smith
Second Mate:	Jean Flaxington
Chief Engineer:	Melvin Totzke
Third Mate:	Jean Rich

PRESIDENT'S ADDRESS

This year has been a very successful one for the Senior Class of 1945. We have worked as a complete unit on every event that we have planned. We have found that the entire group can work out successful achievements better than individuals. When certain difficulties arise a group can think of more small details and can place events to a higher degree of efficiency. In our senior class when ever we planned an event we discussed it in front of the whole class and asked their opinions of the subject. After the opinions were given and everyone agreed upon it, we then went ahead and carried it out according to what the class wanted.

We learned what cooperation meant when the class and sponsors got together by this method. Good examples are our dances, our senior play, and our carnival. We found that each and everyone had to give something and put forth our effort to be able to bring an objective to the extreme limit or terminal point. This is the reason that everyone was satisfied and why our graduation year was such a success even though we were faced by the dreadful effects of war.

Now that we have nearly completed our high school training, we must look forward to the future and try to find what is in store for us. We know at the present time we are faced by a grave appressing war and if the opportunity comes when our country should call upon any they shall gladly pledge their lives with a strong determination to bring this dreadful situation to an end. We have sacrificed one of our members to the armed forces this year, and the entire class will be thinking of him and wishing him the best of luck while we are graduating. The future will depend wholly upon the person, and I'm sure that the Senior Class of 1945 will turn out to be a success when the opportunity arises.

I was very happy when they chose me as their leader and hope that they were satisfied in doing so. I have tried to lead my class to be a successful one and trust I have achieved my goal. It has really been a satisfaction to work with this group, and I wish each and everyone the best of luck in the future. Now our class in true and sincere thinking wish the entire school, the townspeople, and especially our sponsors, Mr. Yates and Mrs. Blackler all the success in the world.

Lavern Bradford

The future "Seniors of 1945" began their quest for class funds by giving a Junior Barn Dance which was followed by a bake sale, candy sale, and a magazine sale. The profits from their sale of magazines put a bulge in their bank account, and they celebrated their successful campaign with a class party.

The social event of the year was the J-Hop which was presented in night club style on April twentieth. They closed their Junior year with the Junior Banquet and the Prom.

The Marine City Wildcats sailed through their 1944 football season undefeated to take the St. Clair County Football Championship away from St. Stephens, 1943 champs.

Under the coaching of Ralph Pfingst and the leadership of John Holland, the Mariners went into full-power against St. Clair, shoving them over 21-0 in the first game of the season.

The Wildcats came up against Romeo the following week and were forced to be content with a scoreless tie.

Marine City High School basketball team went through their 1945 season with fourteen wins and two losses to take the St. Clair County Basketball League Championship and the Class "C" District Tournaments. This year has been the most successful season since 1925 for the Mariners, getting to the regionals at Pontiac before being defeated by Keego Harbor.

In the first game of the year, Marine City treked to Port Huron to play the Saints, knocking them over 26 to 14. The following game at home proved to be a bit disappointing as St. Clair nosed out the "Orange and Black" 20-18. Marysville came to town the next week and put up a terrific battle but found themselves in another thriller at the short end of the score in an overtime, Marine City winning 25-23. The Mariners found themselves in another thriller at Algonac, Holland saving the game with a field goal in the last minute to ring up the third victory. The Wildcats had a gay time with their city rivals, Holy Cross, and ran up a high score of 55 to 14. Richmond faced its sixth defeat of the year at the hands of Marine High the next week, dropping this one 47-28. The Mariners were in a tie for first place as the second round of the season rolled around.

BASKETBALL CONTINUED

St. Stephens met the same fate as before, only worse this time, being trounced 42-18 by our fellows. A large crowd from Marine City traveled to St. Clair on January 30 to watch Marine, with the aid of Holland's long shot, clinch a hard fought battle 29-28. The "Blue and White" from Marysville bit the dust again, this time 31-25. M.C.H.S. had to fight hard the next game to down the Muskrats 20-19. The Mariners had but to beat Holy Cross and Richmond, the two weakest teams in the County, to take the Championship: and they came through gloriously 32-21 and 48-23.

Then came the District Tournaments. Marine City's high scorer, Dawn, with 105 points, helped to elude St. Clair "on the Beam" the next two nights, scoring 24 points against Algonac and Richmond. The Mariners beat Algonac 37-21 and Richmond in the finals 35-18.

Now came the pay-off. Marine City went to Pontiac on a Saturday night but came back the losers, beaten by one of the best rated teams in Michigan. Keego Harbor spilled us by an overwhelming score of 34-14.

Lavern Bradford was chosen on the All County Basketball team. Totzke and Holland made the second team.

Much credit must be given to our loyal coach, Mr. Pfingst, who trained and led our team to glory. Hats off to the best basketball team since 1925.

FOOTBALL CONTINUED

The Mariners then trekked to St. Stephens and fought to a second scoreless tie against a heavy built St. Stephens team.

The Marine "eleven" ran circles around Marysville in the following game, winning by a score of 26-0. Algonac was the next victim of the Mariners' wreckless drive, dropping a 7-0 battle to "Old M.C.H.S."

Richmond, top-notch contenders for the Championship, was then crossed off the board, 12-6, by a more determined Wilcat team.

In the final game of the year, the Mariners rode forward, rolling over their city rivals, Holy Cross, 12-0, County's Undefeated Champions.

The Pfingstmen's goal line was crossed only once by the Richmond, "eleven." They rang up 78 points to their opponents 6. Not a bad record for any "gridiron" team!!!!

Pete Jeup was chosen as All-County guard, the only Marine High player to receive the honor this year.

TRACK

Front Row: Donald Horn, mgr., Robert Hyslop mgr., Kirby Lee, Harold Smith, Fred Tyler, Lawrence DeCou, Lawrence Taylor, David Faucher, Linus Leibert, Fred McLouth.

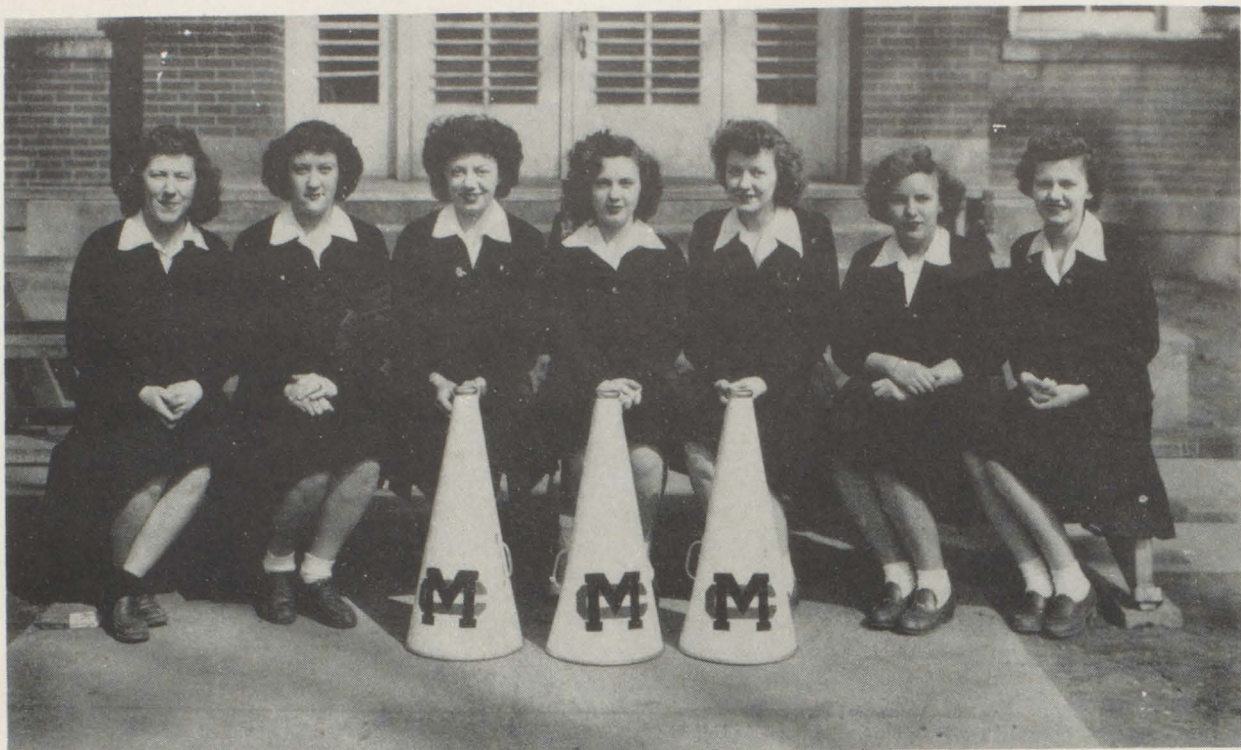

Second Row: David Foster, Nathen Brewer, Dick Nichols, Bill Galvin, Bill McGlynn, John Holland, Bob McCollister, Jerry Sayers, Marvin Revers, Mr. Dresser.

The track season this year marked the appearance of our new coach Bob Dresser. Although this is written too early to publish any of the track results Mr. Dresser believes that the team has a lot of promise, and predicts better results than we experienced last year.

Ten boys went over the River Rouge Invitational meet at Ann Arbor Saturday, April 14. Although we didn't place a man the boys performed well considering the class A competition. However, Lawrence DeCou qualified for the semi finals in the 65 yd. high hurdles.

The Schedule thus far includes meets with:

Saturday	April	14	River Rouge Invetational, Ann Arbor
Friday	April	20	Open
Wednesday	April	25	Romeo (here)
Friday	April	27	Lake Shore (here)
Tuesday	May	1	Port Huron (here)
Friday	May	4	Algonac (here)
Friday	May	11	County Track Meet (here)

CHEERLEADERS

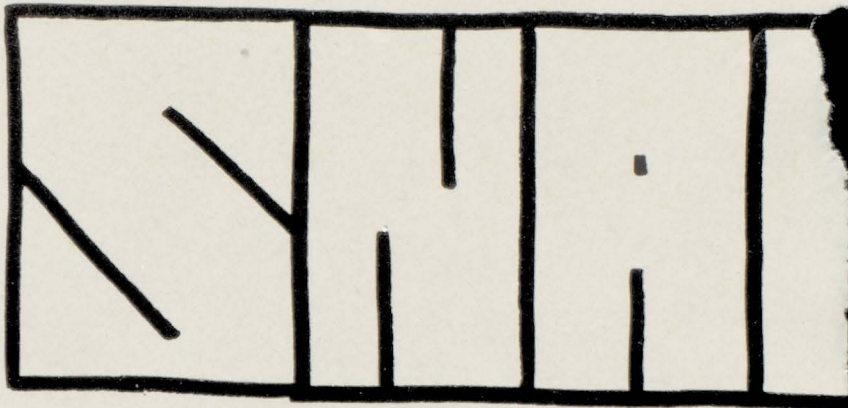

Row One

Rachel Daniels, Betty Sifferlen, Donna Welser, Arlene Basney,
Evelyn Cohrs, Jean Lozon, Martha Cohrs.

This small group of girls has been rather forgotten in all the excitement of the winning teams. They deserve much credit along with our boys. They are the girls who lead all the yelling for our school. Five of them will be leaving school this year. They are Betty Sifferlen, Evelyn Cohrs, Donna Welser, Rachel Daniels, and Arlene Basney. Martha Cohrs and Jean Lozon will be left to teach the new girls how to cheer. We hope that next year's cheerleaders will do as well as these girls have done for the Marine City High School this past year.

The furniture used on the set was kindly donated by the Roll Furniture Company.

STUDENT COUNCIL

President	Lavern Bradford
Vice President	Melvin Totzke
Secretary	Lorraine Beier
Treasurer	Mary Lou Lesner

Front Row: Don Segar, John Holland, Harold Smith, Dick Nichols, Fred Becker, Francis Tyler, Bob Wood, Donald Bantien.

Second Row: Lorraine Beier, Mary Lou Lesner, Virginia Nelson, Loretta Kreusal, Joanne Antons, Alma Jones, Gloria Fonslow.

Third Row: Melvin Totzke, Lavern Bradford.

The student council is the representative body of the students of Marine City High School. It is composed of the President and two other members of each class including the junior high school grades. According to its constitution it has the power to discuss and promote action relative to any matter that the members consider pertinent to the welfare of the student body.

This year, under the able leadership of Lavern Bradford, the council has promoted several activities and exerted an excellent influence on the school. Part of the success of the school dances should be assessed to the quiet work of the council. Two of the dances were sponsored by the council. The bond drives and stamp sale has been under its supervision. The old clothing drive was under the direction of the council and was the heart of the splendid results obtained in Marine City. The classes will undoubtedly re-elect some of this year's members for their council of next year and we wish them future success as great as has been achieved in the past.

NATIONAL HONOR SOCIETY

Front Row: George Duddy, Nancy Carman, Norma Hart, Mary Lou Smith, Melvin Totzke.

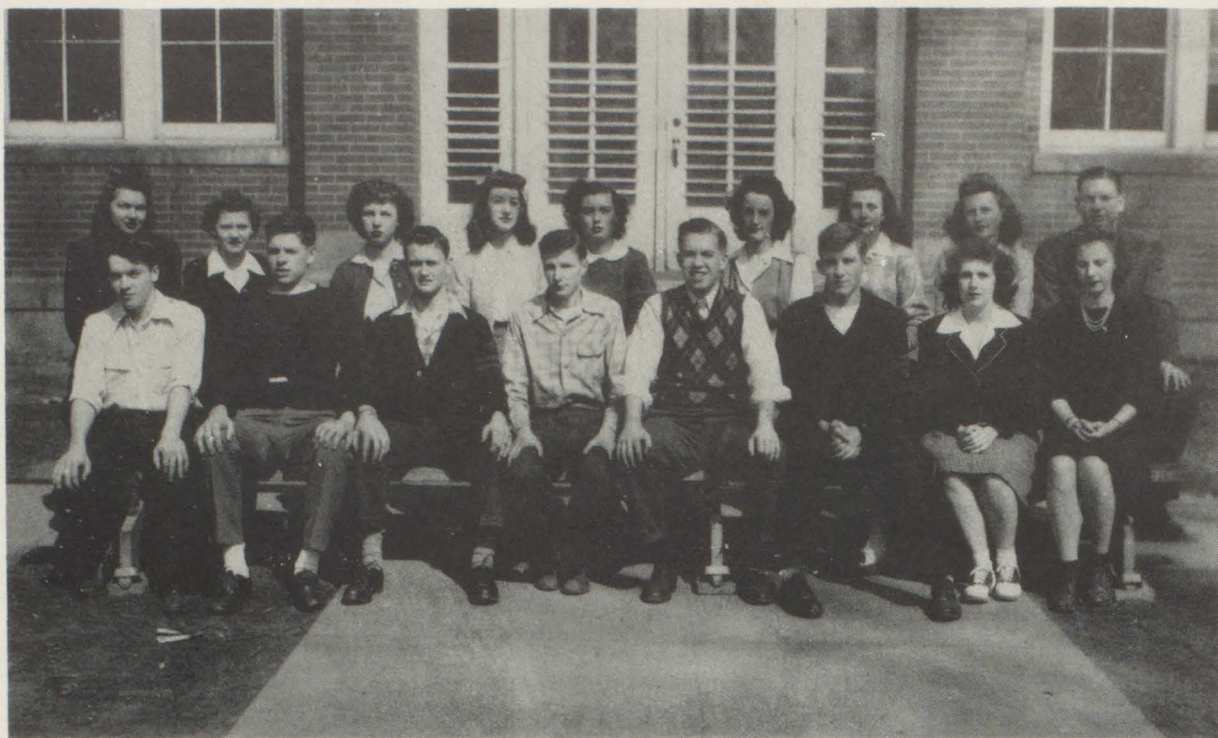

Second Row: Virginia Nelson, Jean Rich, Ruth Volker, Jean Flaxington, Edna Scott, Gladys Hintzman.

The highest honor that can be awarded to a student in high school is to be elected to the National Honor Society.

This organization promotes Scholarship, Leadership, Service, and Character. Each year three Juniors and not more than fifteen per cent of the Seniors are made eligible by scholastic standards. The Junior and Senior classes, as well as the faculty, vote on these candidates for membership. The present membership of the society is sixty-nine girls and thirty-two boys.

Seniors: George Duddy, Nancy Carman, Norma Hart, Mary Lou Smith, Melvin Totzke, Ruth Volker, Jean Flasington, Jean Rich.

Juniors: Virginia Nelson, Edna Scott, Gladys Hintzman.

As every annual staff strives to edit the best annual that has ever been published, that was the objective of the above group. At times the obstacles in their path seemed unsurmountable, but they only proved a stronger incentive to make them work harder for success. The real labor that was put into it makes the book that much dearer to all of us.

And now that their efforts have culminated into another really worth while edition of the "Mariner," they present the book for your approval with only one wish --that it pleases every one of its readers.

Front Row: Mr. Pfingst, Donald Meyer, John Holland, Harold Smith, Lavern Bradford, Melvin Totzke, Lawrence DeCou, Bill Galvin, David Faucher, Lawrence Taylor, Mr. Dresser.

Second Row: David Foster, Bill Danneels, Fred Tyler, Stewart Elliott, Linus Liebert, Walter, Smith, Louis Lozon, Jerry Sayers.

Third Row: Donald Bantien, Harold Labadie, Charles Dolomore, Fred Schneider.

The first meeting was held a little while after the new year of 1945. In this meeting we elected our officers and started plans for a dance. The dance was given after a basketball game with Holy Cross, and it was a big success.

After the dance was given we initiated nine new members into our club, who had earned their letters by sports in the previous year.

We have contributed to a new electric score board which will be bought for the school in future years.

MIXED CHORUS

Front Row: Don Horn, Mary Lou Smith, Betty Sifferlen, Evelyn Cohrs, Rachel Daniels, Melvin Totzke, Norma Hart, Lois Blythe, Rose Bilbia, Charlotte Carman.

Second Row: Miss Dormer, Leah Anderson, Arlene Basney, Curly Bradford, Donna Welser, Shirley Price, Joyce Goulette, Dolores Thompson, Gladys Hintzman, Della Bean.

Third Row: Ruth Volker, Theodosia Valla, Gloria Pasternak, Howard Elsholz, Ivah Conlin, Janice Wood, Jean Flaxington, Leonard Langell, Nancy Carman, Margaret Netzel, Marilyn Dupule.

The Marine City Mixed Chorus under the direction of Miss Louise Dormer began this year with forty-eight members. Although there were more girls in the chorus than boys, the boys made of for it by their fine voices.

Early in the year the chorus sang at the Methodist Church for a district convention. Following annual tradition they went caroling before Christmas and presented a program of Christmas music in the halls of the school.

Throughout the year smaller groups selected from the chorus sang at various club meetings in the community.

In May they cooperated with other schools in St. Clair County and participated in a Music Festival held in Port Huron.

The year's activities of the mixed chorus were completed in furnishing music for Baccalaureate and Commencement.

JOURNALISM

Front Row: Jean Smith, Gloria Pasternak, Laura Fabin, Barbara David, Gwen Lee, Nancy Carman, Jean Lozon, Norma Hart.

Second Row: Marilyn Baehr, Verna Boursaw, Dorothy Prince, Mildred Smith, Barbara Baker, Margaret Donaldson, Miss Brown.

Third Row: Fred Tyler, Stewart Elliott.

The log Staff, publishers of the school monthly paper consists of sixteen students and our advisor, Miss Brown. The paper is composed of news concerning the school and students, sport articles, editorials, features and the Crows Nest. It still supports war bond drives and other war activities. The Staff's ultimate objective is a new electric mimeograph machine so the future Log Staff can put out more editions per month.

BAND

- Row One: Dorothy Welser, Marietta Price, Pat Donahue, Joanne Antons, Betty Mae Morrison, Fred Becker, Bill Brown, Jack McNett, Gretchen Becker, John Anderson, Martha Cohrs,
- Second Row: Elaine Turnbull, Jack Lardie, Lorraine Beier, Violet Mapletoft, Helen Price, Charles Brewer, Ottolyn Graves, Armilda Schutt, Patsy Prince, Gladys Elsholz.
- Third Row: Lloyd Tripp, Bob White, Melvin Brenner, Patsy Bell, Orville Duddy, Helen Dodge, Estelle Furtaw, John Bell, Marion Jones, Garry Smith,
- Fourth Row: Charlotte Carman, Delores Dodge, Lois Blythe, Bob Johnson, George Miller, Merlin Butler, Margaret Bridges, Don Brown.

In the late fall of 1943 the Marine City Lion's Club realizing the worth and the need of band experiences for high school youth entered jointly with the Board of Education to offer these opportunities to the boys and girls of Marine City. The Lion's Club accepted as their responsibility the purchasing of musical instruments and uniforms.

With a full time band instructor and and new uniforms next year the possibilities are excellent for M.C.H.S. to have one of the outstanding bands in the River District.

MONITORS

- Front Row: Harold Langell, Richard Nichols, Melvin Totzke, Rachel Daniels, Evelyn Cohrs, Curly Bradford, Betty Singer.
- Second Row: Dorothy Turnbull, Cecelia Ruemenapp, Jean Flaxington, Edna Scott, Donna Cooper, Marilyn Durrow, Doris Elliott,
- Third Row: Mary Lou Lesner, Dorothy Genshaw, Dorothy Ann Snyder, Richard Walsh, Richard Jensen, Bernard Waelens.

The monitors lost a good friend and able leader when Miss Nichols had to leave in mid-semester. However, the sterling quality of this group asserted itself when they were left more or less on their own. The halls were never in better hands when they were on the job and the one or two minor problems that presented themselves were solved to everyone's satisfaction. Better than that, the students seemed to respect these guardians, and that is the final test.
